### Note to route judges:

**Check EITHER Movement OR Usable Surface NOT Both.

- **High Hold:** Record the # of the highest hold controlled.
- **Movement:** CHECK this if climber made positive movement off the high hold. **
- **Usable Surface:** CHECK this if climber touched the usable surface of the next hold. **
- **Clips:** For lead routes, record the number of clips attained.
- **Judges:** Initial the scorecard after discussing with the climber.
